

TEMPORARY GOVERNING BODY OF CHESSWOOD AND LYNDHURST SCHOOLS.

Our Governing Body consists of 13 members and operates without a committee structure.

The statutory purpose of the Governing Body is to promote high standards of educational achievement at the school whilst overseeing the amalgamation process of the two schools.

The day to day management of the school is the responsibility of the Headteacher and staff, whereas the governors are responsible for the general direction of the school and providing a strategic overview.

The Governing Body acts as a critical friend to the school and ensures accountability, whilst considering the interests of children, parents and staff. It makes decisions about curriculum, finance, staffing and premises matters, to help raise standards of achievement and to make sure that the school provides a good quality education for all our pupils.
